Tom Knapp, Benelli's world famous exhibition shooter, will appear at Maywood on June 2&3. Checkout www.benelliusa.com, for details available. We have scheduled a show at 1 p.m. each day. Tom Knapp is a world record holder, for hand throwing eleven clay targets and breaking them all with as many shots. He will repeat this and many other amazing shooting feats at Maywood. Benelli, Tom's sponsor, has offered to bring out some of their fine shotguns for demonstration. We would really like to showcase the club to our friends and fellow sportsmen over this weekend. MSC President John Karel has appointed a committee to host this event. Volunteers interested in working on the committee or helping out with the event call:

MSC Trap Chairman Ken Cechura

Work phone: 708-795-6060

Home phone: 815-942-2732

Maywood members are advised to arrive early for best seating and parking. Please cooperate with security staff and follow parking direction. Bring a lawn chair as seating is limited. Chef Lenny of "Le Shooter Shack" will have food available at lunchtime.

Tom Knapp is sponsored by Benelli, Federal Ammunition, and Pro Ear. Representatives from Benelli will have "try guns" available prior to Tom's show. Mark Simonides of "Pro Ear" will be available for custom earplugs.

We hope to include limited open shooting on both Saturday and Sunday from 9:30 to noon. Guest attendance and safety will be the determining factors. **There will be no sporting clays or Annie Games on June 2 or 3.**

MSC Club Shoot, June 10, 2007,

Shoot, 200 targets, \$40

50 – 16 yard, 50 – 22 yd, \$20.

50 – internationals, \$10

25- pair of doubles. \$10

Shoot all 200 targets to qualify for club champion or 100 singles (16 yd & handicap), for special class trophies, vet, lady, jr. Your entry fee includes targets, trophies, and a picnic lunch for participants and their families, after the shoot. We need help managing the club shoot, cashiers, registrars, score checkers, in order to have a successful shoot.

Last year there was no club shoot largely due to the lack of member help the previous year. We tend to rely on the same individuals to unselfishly donate their time. Many of these members couldn't participate in the last shoot due to lack of help.

Registration starts at 8:00 a.m. shoot starts at 9:30.

June 2007 Trap Report

This years Trap Class May 4 & 5 was once again a success. 52 students attended, broke targets, and had a great time thanks to our "Maywood Pros". Thanks to all that taught the course or helped in any way.

May 6, was our first full blown ATA shoot of the year. 90 registered ATA shooters participated and shot over 17,600 targets. Many of our guests were most complimentary of our grounds, equipment, targets, and shoot management. There were several inquiries as to memberships. Thanks again to all that volunteered, especially those that were here Friday and Saturday too.

Once again we need help at the trap counter and with our special events, see Ken at the counter.

Mike Holfels, Trap Chairman with help from Harold, Igor & Ken.
